

SpeedyDubB Solution

- The solution for managing complex localization workflows for entertainment content
- Designed to detect problems before they happen
- Project transparency across internal and external stakeholders
- Secure, cloud-based, global, collaborative
- Integrated with SpeedyDubB and SpeedyCast modules

Key Benefits

- Improved communication, less waste and greater efficiency
- Title-based, task and activity tracking with measurable results in real time
- Reference materials organized on-board or linked to current asset management systems
- Collaborate internally and globally

Organize Logically • Manage by Exception • Collaborate Globally

Primary Capabilities

- Role-based security and hierarchical administration/permissions
- Project Status through customized dashboards and reports
- Create Project Templates and clone them for rapid start

About MCF Media Solutions

MCFMedia is a joint venture of MCF Technology Solutions, Agilcore and Von Johnson & Associates, Inc (VJA). MCFMedia combines the institutional knowledge of VJA with the technology skills of MCFTech. MCFMedia's SpeedySuite enables global collaboration, greater transparency, and real-time information for more informed decision making.

About MCF Technology Solutions

MCF Technology Solutions delivers Services and Products to business customers worldwide. We focus on the successful development, deployment, and support of Business Applications for diverse teams. Successful MCFTech projects include worldwide deployments for Walmart, Procter & Gamble, Disney, Merck, PR Newswire, Oracle Corporation, Intuit, and others.

Stop managing with emails and spreadsheets. Increase visibility, accuracy and capacity. Accelerate Product Flow. Automate, expedite and control your localization workflow.
